5. COMPETITION

5.1. Eligibility

For the IPOM athletes have to be born before 01/01/2007. There are two age groups in each gender:

- 2006 – 2003
- 2002 – older

5.2. Events

Individual events (6 events):

- 200m obstacles
- 100m manikin carry fins
- 100m rescue medley
- 50m manikin carry
- 100m manikin tow fins
- 200m super lifesaver

Team events (3 events):

- 4x50m obstacle relay
- 4x25m manikin relay
- 4x50m medley relay

In this competition, 6 individual and 3 team events are scheduled. All events are held in series and finales. The finals (A-B) can be a mixture of both agegroups so the fastest 16 athletes per event will qualify regardless of their age group.

5.3. Qualification times

We would like to use following times as qualification times for this event:

| | Women | Men |
|-------------------------|-------|-------|
| 200m obstacles | 3'30" | 3'15" |
| 100m manikin carry fins | 1'30" | 1'20" |
| 100m rescue medley | 1'50" | 1'40" |
| 50m manikin carry | 50" | 45" |
| 100m manikin tow fins | 1'30" | 1'20" |
| 200m super lifesaver | 3'30" | 3'15" |

5.4. Classifications

Individual Classification

- There will be a ranking per event. The results will be made up per gender, per event and in two different age groups.
- The results of the finals will count as final result regardless if a time in the heats was faster.
- Reaching the A-final has always priority on reaching the B-final or not reaching the finals.
- If for example only two youth athletes reach the final of which one the A-final and the other the B-final the end classification will always be that the athlete that reached the A final will be first, the athlete that reached the B-final will be second and the fastest youth athlete that did not reach the finals will be third. This regardless of the times swam in the finals. If 6 youth athletes make it to the A final, the times swum at the A-final determines the result.

Team Classification

- There will be a ranking per event and the composition of each relay can therefore differ. For the relays we only have one age group:
 - Open category (all ages allowed 2006-older)

6. REGISTRATION

6.1 Terms of inscription

- Athletes can participate in all 6 events.
- All athletes have to be member of an ILS recognised Lifesaving Club.
 - ⇒ The online registration will be possible from the **1st September until 31st October 2021** via <https://www.swimrankings.net/index.php?language=nl>
 - ⇒ The registration form (view attachment) must be send **before 31st of October 2021** to: whubregsen@redfed.be

6.2 Entry fee

The registration fee is **5 €** per individual event and **5 €** per team event for the IPOM and has to be transferred before the 1st of November 2021.

⇒ You transfer the total fee of your club:

IBAN: **BE31 0682 1966 9055**

BIC code: **GKCCBEBB**

Account of RedFed with announcement: **"IPOM 2021 + name of the club"**

6.3 Registration on location

The registration of the participants can be done every day at 7.30 AM. The registration office will be in the entrance hall of the swimming pool.

7. RULEBOOK

The most recent **Technical rules** of the ILS rulebook (www.ilsf.org) will be applied for all the events.

8. MANIKINS AND RESCUE TUBES

A number of manikins and tubes will be available in the Warm-up pool.
The tubes are of the brand Wetiz and all the manikins of the brand DLRG (ILS specs).

9. Covid-19 SECURITY PROCEDURES

A Covid19 safety protocol will be send to you after your inscription.

Main assumptions:

- Stay home if you are ill
- Keep a social distance
- Wear of mouth and nose mask if crowded
- Use disinfectant frequently
- Respect the guidelines of international travel of your own country
- Respect the local guidelines

All participants will require a Corona Safety Ticket (CST) at the registration.

For the time being we would like to work with the Covid Safe Ticket and/or Corona Certificate:
Both the Covid Safe Ticket and the existing European corona certificate have the same goal: to prove that you have antibodies against the corona virus. You can if you:

- have been fully vaccinated for at least 2 weeks;
- have recently taken a negative PCR test (max 72 hours before the event);
- have recently taken a negative rapid antigen test (the day of the event);
- have had a corona infection in the past six months.

If the situation changes we will let you know.

Accidents

There is a full equipped First Aid Post between the competition pool and warm-up pool.
There are lifeguards present during the competition and warming-up.

10. OFFICIALS

To ensure a good competition we ask the Belgian teams to provide the following number of officials

- 1 athlete = 1 official
- 10 athletes = 2 officials
- 20 athletes = 3 officials

Foreign teams are not obliged, but may provide officials. We are more than happy to welcome them in our team of officials. Officials receive a fee of 30 euro per day.

Registration of the officials can be done on the registration form.

*Foreign teams can provide officials. Based on their qualification, they will be scheduled in the different positions.

11. TRANSPORT

11.1

11.2 Getting to Antwerp

- By Airplane
 - Airport Brussels - <http://www.brusselsairport.be/en/>
 - Airport Charleroi - <http://www.charleroi-airport.com/>
- By Train - <http://www.belgianrail.be/en/Default.aspx>
- By Boat - www.cheapferrytickets.com
 - Connection from Dover
